MINUTES OF TOWN MEETING

At a legal meeting above notified and held at the Central School in Greenland, N.H. on Tuesday March 14. 1967. at 8 o'clock in the evening; Meeting was opened with Invocation by Rev. Clayton Reed, salute to the flag was led by Boy Scout Harry Durgin, and Cub Scout Reginald Brackett. Town Moderator chose, because of the length of the Town Warrant, to refrain from reading the entire warrant, choosing instead to read each article as it was reached.

Articles 1 and 2

By non-partisan ballot cast from 10 a.m. to 6 p.m. the following Town officers were elected.

Town Clerk, Bonnie L. Tebbetts; Selectman for 3 years, George E. Gowen; Treasurer, Constance Sypfers; Tax Collector, Andrew R. Schools; Highway Agent, W. Richard Weeks; Auditors, Herman W. Parker, and Frank E. Wirling; Library Trustee for 3 years, Charlotte Ireland; Trustee of Trust Funds, Parker A. Rolston.

By non-partisan ballot cast from 10 a.m. to 6 p.m. the following School District Officers were elected. Moderator, Herman W. Parker; Clerk, Lena Kohlhase; School Board Member for 3 years, Norman Nichols; School Board Member for 1 year, Thomas Bridges.

On the following question - Shall the Zoning Amendment as proposed by the Planning Board be adopted for this town? The vote was 168 yes and 70 no.

The following town officers were appointed by the Selectmen. Deputy Tax Collector, Barbara Schools; Chief of Police, Asa M. Waitt; Deputy Police, Kenneth W. Price, A. Duncan Brackett and Earl White; Chief of

Fire Dept., Franklin P. Durgin; Deputy Fire Chief, Kenneth N. Fernald and Rance Collins; Health Officer, Frank M. Marshall; Director of Civil Defense, Joseph Mayer; Water Board for 3 years, Robert Hussey; Planning Board for 5 years, Donald F. Yeaton; Board of adjustment for 5 years, Robert L. Sutherland Sr.

All elected and appointed officials present were sworn in by Town Moderator, John R. Brackett.

Article 3

G. Newton Weeks moved that the town vote to fix the salaries of the Town Officers and to raise and appropriate the estimated sum of \$4,100. in payment of salaries and commissions. The salaries to be as follows:

Selectman, Chairman	\$ 500.00
Selectmen, 2 at \$350	700.00
Town Clerk \$25 per month	300.00
Town Clerk ,Commission	630.00
Town Treasurer,	150.00
Tax Collector, salary	1,500.00
Tax Collector, Head Tax commission	110.00
Supervisors 3 at \$20	60.00
Health Officer	50.00
Sec. Trustees of Trust Funds	50.00
Auditors 2 at \$25	50.00

Article 3 seconded by George E. Gowen, and so voted.

Article 4

George Gowen moved that the town vote to raise and appropriate a sum not to exceed \$300.00 for secretarial service for the Selectmen. Seconded by Harland Boardman and so voted.

Article 5

Jarib Sanderson moved that the Town vote to raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations

of the same. The estimated amount for town charges is \$27,640.00. Seconded by G. Newton Weeks and passed.

Article 6

Russell Rolston moved that the town vote to raise and appropriate for the building, repair and maintenance of highways and bridges the sum of \$6,000.00 for summer work and \$4,500.00 for winter work. Seconded by Sumner Patten and so voted.

Article 7

G. Newton Weeks moved that the town vote to raise and appropriate the sum of \$3,750.00 providing the State contributes \$11,250.00 for a State Aid Reconstruction project. This project is to reconstruct a portion of Winnicut Rd., so called, starting at Route 101 and proceeding southerly to the project completed in 1964, a distance of approximately 3,100 feet. Seconded by Clayton Spinney. Clyde Sturtevant spoke of the poor construction work done on the 1964 project and asked if we could have better work done this time. Mr. Raymond Maher objected to the plan of construction as presented. Robert Buxton explained that the plan as presented was what he thought was best, but it could be changed. Motion passed.

Article 8

It was moved by Jarib Sanderson that the town vote to raise and appropriate the sum of \$1,540.00 for the purchase of a snow plow to be put on the Road Agent's truck and used on Town roads. Seconded by Raymond Maher, after discussion by several people, Jarib Sanderson amended the article to read that the town vote to raise and appropriate the sum of \$1,540.00 for the purchase of a snow plow to be used at the discretion of the Road Agent. Seconded by George Gowen and passed as amended.

Article 9

Parker Rolston moved the town vote to raise and ap-

appropriate the sum of \$128.84 against the State's \$858.91 for construction and maintenance of Class V r o a d s. Seconded by Violet Chisholm and so voted.

Article 10

Robert Buxton moved that the town vote to reclassify Stratham Lane from a Class VI to a Class V r o a d. Seconded by Russell Rolston and so voted.

Article 11

Russell Rolston moved that the town vote to raise and appropriate the sum of \$450.00 for the care of trees. Seconded by Richard Weeks and passed.

Article 12

Motion was made by Clayton Spinney that the town vote to raise and appropriate the sum of \$1,600.00 for the support of the Weeks Public Library. Seconded by Corrine Rolston and passed.

Article 13

Russell Rolston moved that the town give the Greenland Historical Society permission to use part of the basemen of the Library for storage purposes. Seconded by Herman Hughes and so voted.

Article 14

Everett Bennett Sr. moved that the town vote to raise and appropriate the sum of \$1,500.00 for the care of cemeteries. Seconded by Robert Sutherland Jr. and so voted.

Article 15

Moved by Russell Rolston and seconded by P a u l Hartson that the town vote to raise and appropriate the sum of \$350.00 for the care of parks and playgrounds. Motion passed.

Article 16

Moved by Russell Rolston that the town vote to ac-

cept the land on Breakfast Hill given to the Town by Jacob Ciborowski for an Historic Site and to be known as Breakfast Hill Park. Seconded by Sheila Loch; passed. Russell Rolston asked that the Town Clerk send the following resolution to Mr. Jacob Ciborowski.

"The People of the Town of Greenland assembled in Town Meeting Tuesday March 14, 1967 do hereby accept the generous gift of land of Breakfast Hill, Greenland's most historic spot, made possible through the generosity of Mr. Jacob S. Ciborowski and extends to him their sincere thanks."

Article 17

Motion made by Clyde Sturtevant that the town vote to raise and appropriate the sum of \$50.00 for the observance of Memorial Day. Seconded by Franklin Durgin and so voted.

Article 18

Motion made by Andrew Schools that the town vote to authorize the selectmen to borrow money on short term notes in anticipation of taxes. Seconded by Corrine Rolston and so voted.

Article 19

Motion made by Russell Rolston and seconded by Priscilla Grodan that the town vote to authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collectors deeds: motion passed.

Article 20

The report of the Building Committee was given by Rance Collins. He stated that the Committee consisting of John Brackett, G. Newton Weeks, George Gowen, Rance Collins, Franklin Durgin, Phillip Lorenze, Redford Rand, Glen Harvey, Donald Yeaton, Jarib Sanderson and Donald Ladd met several times during the year, studied several plans and suggestions and then

presented a plan for an addition to the fire station which the committee felt the town should act upon. Plan stated in Article 21. Edna Weeks moved the report be accepted, Seconded by Clyde Sturtevant, motion passed.

Article 21

Angelo Valzania moved that the town vote to raise and appropriate the sum, not to exceed \$21,000.00 to construct an addition to the Fire House. This will provide room for the Town Offices and additional room for the Fire Department. Such sum to be raised through the issuance of ten serial notes, payable one each year under and in accordance with the provisions of the Municipal Finance Act and amendments thereto, and to authorize the Board of Selectmen to issue and negotiate such notes and to determine the time and place of payment thereof under such terms and conditions as they deem to be in the best interest of the town. After considerable discussion both for and against this article, and several attempts to amend by Frank Emery, Jr. which were all withdrawn by Mr. Emery, a motion was made by Herman W. Parker, "that we proceed with Articles 22 through 33 and that Article 21 be considered at an adjourned meeting to be held on the 2nd Tuesday of May next at 8:00 p.m." Motion seconded by George Gowen and passed.

Article 22

W. Richard Weeks moved that the town vote to authorize the Selectmen to accept as town roads any roads which may be completed during the year, which have been approved by the Town Planning Board, constructed in accord with the required specifications and approved as to construction by the Town Road Agent, and the land on which said roads are located deeded to the Town. Such approval by the Selectmen shall be recorded with the Town Clerk. Motion seconded by Francis Gage, and so voted.

Article 23

It was moved by Andrew Schools that the town vote to raise and appropriate the sum of \$284.70 to make necessary repairs to the Town Clock. Mr. Schools stated it had been approximately 14 years since repairs had been made. Motion seconded by Paul Hartson, and so voted.

Article 24

Robert Hussey made the motion that the town vote to raise and appropriate the sum of \$11,000.00 to extend the water line up Post Road to Breakfast Hill Road. Seconded by George Gowen. Jarib Sanderson moved to amend the motion to read that $\frac{1}{2}$ of the \$11,000.00 be raised by the Town, the balance to be paid by developers and customers; this motion was withdrawn. The Moderator, John Brackett asked the vote on the original motion be made by standing vote, result was 84 yes, 33 no. Motion passed.

Article 25

George Gowen moved the town vote to pay all insurance premiums on the Volunteer Firemen and on the fire equipment. The estimated amount was \$485.00. Seconded by A. Robert Boisvert, and passed.

Article 26

Moved by James Wilbur that the town vote to raise and appropriate the sum of \$600.00 for the purchase of hose for the Fire Department. Seconded by Richard Weeks, Jr. and passed.

Article 27

Moved by Jarib Sanderson that the town vote to raise and appropriate the sum of \$300.00 for the Seacoast Regional Development Association and the Seacoast Regional Plan. Seconded by Harland Boardman and passed.

Article 28

Moved by Russell Rolston that the town vote to raise and appropriate the sum of \$100.00 for the Portsmouth-Kittery Armed Service Committee to assist them in maintaining a full time representative for the Portsmouth Naval Shipyard. Seconded by Clifton Abbey and passed.

Article 29

Moved by Russell Rolston that the town vote to discontinue as a Class V town road and revert to private ownership that section of road extending from Route 101 to the reconstructed section of Great Bay Road, being the former Great Bay Road running between the house and barn on the property of Marshall Merrill. Seconded by Robert Buxton and passed.

Article 30

G. Newton Weeks moved that the Town vote to raise and appropriate the sum of \$3,000.00 to initiate a program for reappraisal of property. Mr. Weeks explained the reappraisal was to be done by a man from outside the Town of Greenland. That the Selectmen had been in touch with such a man and he had agreed to do the work. Motion seconded by Thomas Gowen, and passed.

Article 31

Clifton Abbey moved that the town vote to increase the license fee on dogs by \$1.00 each. Seconded by Robert Sutherland Jr. and so voted.

Article 32

Natalie Bunker moved that the town vote to publish in the Annual Town Report a complete list, including name, address, and assessment of each real estate property in the town, said list to be published every five years starting with the Annual Report for the year 1967. Seconded by Frank Emery, Jr. and so voted.

Article 33

Mr. Asa Waitt, Chief of Police, asked the Moderator to swear in Kenneth Price as dog officer for the coming year. He was so sworn in.

At 12:15 p.m. the Moderator declared the meeting in recess until May 9, 1967

Bonnie L. Tebbetts, Town Clerk

SPECIAL MEETING

At a special town meeting held May 9, 1967, the following business was transacted.

By non-partisan ballot cast from 10 a.m. to 6 p.m. the following question was voted on. "Shall the amendments to the Building Regulations, Zoning Ordinances and Land Subdivision Regulations as proposed by the Planning Board be adopted for this town?"

Ballot Count	Yes	129	No	16
--------------	-----	-----	----	----

A 8 o'clock in the evening Moderator John Brackett called the meeting to order to act upon Article 21 from the Warrant of Town Meeting, May 9, 1967. Invocation was given by Rev. Clayton Reed, salute to the Flag led by Moderator John Brackett.

Motion was made by Clifton Abbey to table Article 21 till the next town Meeting; seconded by Parker Rolston. Vote was taken by written ballot at request of Moderator and the vote was 49 for, and 34 against since a $\frac{2}{3}$ majority was needed the motion was lost.

Rance Collins spoke, representing the Building Committee, stating that after holding two meetings and talking with contractors and architects they were presenting no essential changes from the original plans as submitted at previous town meeting. After considerable discussion the motion was made by Everett Bennett to pass over Article 21, seconded by Wendell Parker, motion passed.

Motion to adjourn was made by Jarib Sanderson, seconded by Donald Yeaton; meeting adjourned at 8:30 p.m.

Bonnie L. Tebbetts, Town Clerk

SPECIAL TOWN MEETING

October 28, 1967

The inhabitants of the Town of Greenland, qualified to vote in Town Affairs, on petition of Selectmen of Town of Greenland and permission of the Court were notified to meet at the Central School in said Greenland on Saturday the 28th day of October, 1967 at 8:00 in the evening to act upon the following subjects:

To see if the town will vote to raise and appropriate the sum of \$2,500.00 to purchase a new police cruiser.

Meeting was called to order at 8 p.m. by Moderator, John R. Brackett. Invocation was given by Rev. Clayton Reed, and salute to the Flag led by Moderator.

Court order and warrant were read by Moderator. G. Newton Weeks explained the condition of the present police cruiser, stating the cost for repairing it to be between \$300.00 to \$350.00. In answer to questions submitted by Clyde Sturtevant and James Wilbur, Mr. Weeks stated bids on a new cruiser had been published and 3 bids received, ranging in price from \$2,300.00 to \$2,450.00; fourteen specifications were listed in the bids and it was for a four door sedan.

Motion was made by Dave Caswell that the town vote to raise and appropriate \$2,500.00 for a police cruiser. Seconded by David Delfino.

Motion was made by Jarib Sanderson to amend the article to purchase a wagon instead of sedan, Seconded by Herman Parker. A standing vote was taken with 8 in favor of amendment and 31 against. Motion to amend was lost.

A written ballot vote on the original motion was taken with 34 for and 12 against. Motion passed.

Motion to adjourn made by Jarib Sanderson, seconded by Marjorie Boardman. Meeting adjourned 8:55 p.m.

Bonnie L. Tebbetts, Town Clerk

SELECTMEN'S REPORT

Sometimes it is difficult to understand that the amount of money voted at town and school meetings is a more important factor in the size of your tax bill than is the assessed value of your property. Assessments are made so that as nearly as possible it will be determined what is the fair share which each property owner shall pay toward the amount of money voted to be raised. The fact that the tax structure in N.H. is based on the ownership of property simply means that the person who owns the greatest value of property will be required to pay the most tax. If there were no new properties added to the books of the town thus increasing the number of property owners who share the tax burden and if the amount voted to be raised for another year should be increased by 20% everyone's tax bill would automatically increase by 20% even though there might have been no changes in anyone's property. This is the answer although it may be a distressing one to the question most often asked as to why the value of their property was increased when no improvements had been made. There is only one place to get tax money — from the people. The Tax Commission sets a limit on the tax rate and there is no other alternative except to raise the value level of the property. The unrest which developed this year was caused by the change to a 100% valuation. The values were determined by an impartial hired appraiser and this program must be continued. Having once set the policy of 100% assessments, it must be kept up to date and any new property in town must be assessed at this level.

With the increasing number of records to be kept and the ever mounting pile of letters and paper work

involved, the need for a town office becomes more apparent. It is neither proper nor appropriate to have multiple town records housed in private homes when the town has grown to the point of having nearly 800 names on the check list and a budget, including the school budget, of over \$200,000. Because of the high taxes in 1967, the Selectmen did not initially feel inclined to propose a building this year. However occasionally circumstances occur of which it is profitable to take advantage. The Selectmen have very recently been advised of the possibility of procuring a building which could be easily adapted for use as town offices. They are presently in the process of determining cost of renovation and will make reports and recommendations at the Town Meeting.

The town has reason to be proud of its police department and should extend a special commendation to the two members who attended and graduated from the Rockingham County Police Training Academy which was held last year in Exeter under the auspices of the County Sheriff's Department.

Greenland's Volunteer Fire Department has requested the establishment of a Capital Reserve Fund to have money available without bonding for a new fire truck at some future date. Time passes quickly and the life of adequate fire equipment is dated and must often be terminated without adequate provision having been made for replacement. Appropriations to a Capitol Reserve Fund for each of 10 or 12 years will make the purchase of new equipment possible at less expense to the town than paying the high interest rates occasioned by a bond issue.

A request has come from our neighboring town of

Newington to assist them in extending their water system into South Newington — that section of their town which was segregated from the village proper by the installation of Pease Air Base. Since the pipeline would have to go down Newington Road in Greenland to reach South Newington, that town felt that we should assist with the cost of installation. This would provide increased fire protection for those who live along this road. It would be well to consider that by doing this Newington is improving the fire protection in South Newington and we should not forget the very excellent service which the Newington Fire Department furnished to Greenland for a number of years prior to the installation of the Air Base and the formation of the Greenland Volunteer Fire Department.

The library has been open on 136 days. Storms caused remaining closed on three days and lack of heat one day.

The librarian and Mrs. Ruth Brackett, trustee, have attended several regional meetings held at surrounding libraries. One of these meetings was held in Greenland in March. At these meetings Mrs. Rachel Sanborn, district consultant from the State Library, discusses some phase of library work and also gives reviews of recently published books. There is also an opportunity to look over a display of new books. We have found these meetings very helpful.

The newly organized Friends of the Library group has been active. A combined book, plant and food sale

TOWN WARRANT 1968
&
TOWN BUDGET 1968

TOWN WARRANT --- 1968

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Greenland in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Greenland Central School in said Greenland on Tuesday, the twelfth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

(The polls will open at 10:00 A.M. and will close no earlier than 6:00 P.M. to cast your ballot on Article 1. Discussion and action on the other articles in the warrant will take place in the evening beginning at 8:00 P.M.)

2. To hear the report of the Town Clerk on the result of your ballot in the election of Town Officers.

3. To fix the salaries of the Town Officers and to raise and appropriate the estimated sum of \$5,135. in payment of salaries and commissions.

4. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same. The estimated amount for town charges is \$33,977.50.

5. To see what sum of money the town will vote to raise and appropriate for the building, repair, and maintenance of highways and bridges. The estimated

amount is \$6,500. for summer work and \$6,000. for winter work.

6. To see if the town will vote to raise and appropriate a sum of \$2,000. providing the State contributes an additional \$6,000. to complete the State Aid Reconstruction project on Winnicut Road which was voted at the 1967 Town Meeting and for the completion of which sufficient funds were not available.

7. To see if the town will vote to raise and appropriate the sum of \$143.50 against the State's \$956.67 for construction and maintenance of Class V roads.

8. To see if the town will vote to raise and appropriate the sum of \$450. for the care of trees.

9. To see if the town will vote to raise and appropriate the sum of \$1,700. for the support of the Weeks Public Library.

10. To see if the town will vote to raise and appropriate the sum of \$450. for the care of parks and playgrounds.

11. To see if the town will vote to raise and appropriate the sum of \$50. for the observance of Memorial Day.

12. To see if the town will authorize the Selectmen to borrow money on short term notes in anticipation of taxes.

13. To see if the town will authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

14. To see if the town will vote to raise and appropriate the sum of \$1,500. for the care of cemeteries.

15. To see if the town will vote to assume the annual

expenses of the Greenland Volunteer Fire Department. The estimated expense for 1968 is \$1,000.

16. To see if the town will vote to establish a Capital Reserve Fund for the purchase of a new Fire Truck and to raise and appropriate \$1,000. for this fund.

17. To see if the town will vote to raise and appropriate the sum of \$300. for the Seacoast Regional Association.

18. To see if the town will vote to raise and appropriate the sum of \$100. for the Portsmouth-Kittery Armed Services Committee.

19. To see if the town will vote to authorize the Selectmen to accept as town roads any road which may be completed during the year, which have been approved by the town Planning Board, constructed in accord with the required specifications and approved as to construction by the town Road Agent, and the land on which said roads are located deeded to the town. Such approval by the Selectmen shall be recorded with the Town Clerk.

20. To see if the town will vote to raise and appropriate the sum of \$826.25 to offset a deficit incurred on installing the water line on Post Road in 1967.

21. To see if the town will vote to raise and appropriate the sum of \$300. to continue the program of property appraisal at 100% valuation.

22. To see if the town will vote to raise and appropriate the sum of \$1,726.67 to pay the balance of the cost of reappraising the town of Greenland in 1967.

23. To see if the town will vote to raise and appropriate the sum of \$4,200. to assist in extending the water line toward South Newington.

24. To see if the town will vote to purchase land and building for the use as a Town Office and to appropriate a sum not in excess of \$18,000. for the purchase price and renovations thereof; and to raise said sum through the issuance of 10 serial notes payable one each year under and in accordance with the provisions of the Municipal Finance Act and amendments thereto and to authorize the Selectmen to issue and negotiate such notes and to determine the time and place of payment thereof under such terms and conditions as they deem to be in the best interest of the town.

25. To transact any other business that legally may come before this meeting.

Given under our hands and seal, this twenty-sixth day of February, in the year of our Lord nineteen hundred and sixty eight.

was held in May and was so successful that it is planned to hold another sale this year in May. The Friends have given the library subscriptions to Popular Science and Look Magazine, a welcome addition to the magazine collection. Through their efforts there have been displays and decorations placed in the library in observance of various holidays and seasons. A bulletin board has also been purchased. The book drop has proved a great convenience to those wanting to return books when the library is not open. We are very grateful to the Friends for their efforts in behalf of the library.

We extend sincere thanks to the many friends who have given books or magazines through the year. Among these are Mrs. Horace Cannon, Mrs. Vera Galle, Richard Moody, Colonel and Mrs. George Prindle, Jewell Todd and Mr. and Mrs. George Gowen.

Respectfully submitted,

Catherine M. Syphers,

Librarian

REPORT OF THE GREENLAND VOLUNTEER

FIRE DEPARTMENT FOR THE YEAR 1967

During the year 1967 the Greenland Volunteer Fire Department answered a total of 31 actual calls. This represents an increase of 7 over the year 1966. This does not include calls received from Stratham Hill Tower and Townspeople reporting smoke and which were checked out by individual members of the Fire Department.

The increase in calls was due mainly to grass fires along the B&M Railroad and Interstate Rte. 95 In combatting fire along Interstate 95 the local Dept. is handicapped by the lack of reasonably located access route. In responding to one fire on Rte. 95 the Dept. had to travel over 6 miles to reach a fire ½-mile from the station in direct line. We have been fortunate up to this date in the fact that there have been no car accidents involving fire, but in event of such a crash the department will be seriously handicapped.

The most serious fire of the year in regards to property damage occurred on April 27, 1967 when the Department was called to a house fire at No. 1 Tuttle Lane. Prompt action by the local department assisted by Mutual Aid from the Portsmouth Fire Department succeeded in confining the fire to a closet and bedroom of the second floor.

Calls received during the year were classified as follows:

Burning Trash	4
Grass	10
Electrical Motor	1
Brush & Woods	5
Motor Vehicle	2

Lawn Mower	1
Shed	2
Wet-down Dump	
(due to weather conditions)	3
House	1
Mattress	1
Oven	1
	<hr/>
Total	31

During the year under the Mutual Aid system the local department received assistance from outside departments as follows:

Portsmouth	2
Rye	3
Stratham	2
North Hampton	4

The greater number of requests for the North Hampton department were due to the fires along Rte. 95.

Largest item of equipment added during the year was the purchase of 450 ft. of 2½" hose by Town Appropriation.

During the year members participated in training classes in "Ventilation and Salvage", also in "Pump Operations", under the direction of Dept. Chief Fernald and the Fire Institute Service of the N.H. State Board of Education.

Upon completion of these classes, members attending and the Fire Department were awarded certificates attesting to the satisfactory completion of the courses. Members of the Department also attended the "Training School for Firemen sponsored by the "Fire Chiefs Association" during the month of September, held at the "Meadwood Training Grounds" at Fitzwilliam, N.H.

Also continued during the summer of 1967 was the voluntary system setup during the summer of 1966 whereby men of the department were available on standby duty for a quick-response for fire calls.

As this set-up was on a rotating basis, members of the deaprtment were able to plan their vacations and weekend camping trips and still provide the town with adequate fire protection on Saturdays, Sundays and Holidays.

To the new residents of the town we would like to remind you, that in case of fire, please give your name, street address and type of fire if possible.

FIRE TELEPHONE 436-5553

If your house is not numbered contact Department Chief Fernald of the Fire Department at 436-2598.

Please do not use fire Phone except for emergencies.

To report a fire call 436-5553 or ask operator for Greenland Fire Department.

Emergency numbers for all local area Fire and Police Departments are listed on the back of the front cover of the telephone directory, also a phone sticker may be obtained at the fire station or from members of the department.

FINANCIAL REPORT OF THE GREENLAND VOLUNTEER FIRE DEPARTMENT FOR YEAR 1967

During the year 1967 the following amounts in excess of town appropriations were raised by members of the Fire Department and the Ladies' Auxiliary for the maintenance, operation and continued improvement to the fire department.

Balance on Hand Jan. 1, 1967	\$	81.03
------------------------------	----	-------

Collected - Jan. 1, 1967 to Dec. 31, 1967	905.45

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

As a town official charged with the protection of our forests from wild fires, you should present an annual report to the town to be included in the town report. Many of you are also fire chiefs and the forest fire portion can be included in the Fire Department report.

This report should be a brief report of your activities and the cost to the town of any fire that occurred. It should list the equipment acquired the past year and the needs for better service. A situation that is increasingly evident in many towns is the lack of manpower for forest fire fighting. If this situation exists in your town an explanation of this need in your report might help. Also, we must not get complacent because we have had a good year - the fuel is there and the weather is uncertain. We can only do something to lessen the risk.

For years, and in response to a request from many wardens, we have written a brief review and a prevention message based on the state-wide and district fire record and a copy of that is being sent again this year. Your own report as you see the situation in your town has more force and value in your own town. Be free to use ours or change or add to to suit your local needs.

Sincerely,
Richard B. Diehl
Fire Control Supervisor

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense

fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. - 5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material - use the ashtray.

REPORT OF THE CHIEF OF POLICE

In releasing my 1967 report for the Town of Greenland, New Hampshire and with the help of the Citizen-Police relationship, we have cut down on Speeding and Accidents in our town. There are several things pending that will improve our Police Coverage, as today our Rural Police coverage is very thin.

Now that the town has purchased a new Cruiser, I will be able to get to accidents and help sick people who need to go to the hospital: For instance, the couple who were overcome by fumes. Since they had only a very few minutes left to live, I was barely able to get to them in time in the old Cruiser.

Summary of activities of Greenland Police from January 1, 1967 to January 1, 1968:

Fatalities	2
Disturbing the Peace	25
Theft	7
Dog Calls	24
Warrants served	5
Summons served	4
Vandalism	12
Child Molesting	1
Brawls	10
Defective Equipment Violations	1
Traffic Violations	12

Approximately 1265 hours Patrolled . . . Miles accumulated on Vehicles: 3435. Cost of Maintaining cruiser, \$390.60.

Asa M. Waitt,
Chief of Police

REPORT OF THE CONSERVATION COMMISSION

The Commission has now been in operation for two years. We began with a tour of the town and a general evaluation of the various needs of the town in the broad recreation and conservation areas.

In 1966, the town was fortunate to obtain, through the generosity of Jacob Ciborowski, a plot of land on historic Breakfast Hill. It is hoped to eventually have a marker placed there.

Another of our projects in the development of the town-owned land on the Winnicut River and Route 101. We hope to make this attractive piece of property usable in all seasons, to provide access for skating in the winter and fishing and picnicking in the summer. With the financial help of the Greenland Junior Women, we plan to place two picnic tables there this spring.

We invite the interest and advice of any organization or individual. Anyone is welcome to attend our meetings which are held on the first Wednesday of the month at 7:00 p.m. at the Fire Station.

Respectfully submitted,
Cynthia B. Nichols,
Chairman
Greenland Conservation Commission

REPORT OF GREENLAND DOG OFFICER

During the year 1967 I have received approximately 400 telephone calls and complaints relative to dogs from residents of Greenland. This may sound like a great number for a town this size but this report is meant to bring to light the time consuming element in this area. Included in this report are trips to Byfield, Mass. and Kittery, Maine on dog problems, plus numerous trips to Portsmouth.

A list of some of the activities follow:

Dogs chasing cattle	1
Dogs chasing deer	5
Dogs killing pets	4
Dogs killing chickens	2
Vicious dogs	8
Stray dogs	30
Dogs accidentally killed	9
Dogs delivered to owners	10
Abandoned dogs	15
Impounded dogs	20
Dogs found dead	5
Dogs assaulted	1

I wish to thank the residents of Greenland for the full cooperation they have given me in this department.

Respectfully submitted,

Kenneth Price,

Deputy Police,

Dog Officer

GREENLAND WATER BOARD REPORT 1967

A twelve inch water line with three hydrants was installed during 1967, on Post Road, to the corner of Breakfast Hill Road: totaling twenty-six hundred and

fifty feet. Upon completion, a water pressure test of forty pounds was realized. Resident services connected as of 12-31-67 totaled fourteen.

Credit with Portsmouth Water Dept.

as of 1-1-67	\$ 4,263.00
--------------	-------------

Appropriated for 1967	11,000.00
-----------------------	-----------

Expenditures:

Contractors Bond	\$ 25.00
City of Portsmouth	14,873.93
Pavement Material	517.55
Backhoe	302.00
Truck	124.00
Tractor	40.00
Gasoline	15.00
Labor	345.25

\$16,242.73	\$15,263.00
-------------	-------------

Reimbursed by the town	153.48
------------------------	--------

Total over-expenditure	\$979.73
------------------------	----------

Unpaid balance as of 1-1-68	\$826.25
-----------------------------	----------

It is the wish of the water board to raise and appropriate the sum of \$826.25 to cover this unpaid balance. The total over-expenditure represents approximately 6%.

A recent analysis of the water from the Greenland well shows the following results:

124 parts per million hardness . . . considerably hard

112 parts per million bicarbonate alkalinity . . .
moderately high.

.05 parts per million iron . . . very low.

7.6 pH value . . . quite alkaline.

The degree of hardness found in this water is definitely causing calcium deposit to form that has a similarity to find sand or gravel after being heated.

School Warrant --- 1968

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Greenland qualified to vote in District affairs:

You are hereby notified to meet at the Greenland Central School in said District on Tuesday, the Twelfth day of March, 1968 at ten o'clock A.M. to act on the following article:

ARTICLE 1. To elect the following District Officers:

1. District Moderator.
2. District Clerk.
3. One member of the School Board for the ensuing three years.
4. District Treasurer.
5. District Auditor.

The polls will be open for the election of District Officers at ten o'clock A.M. and may not be closed prior to six o'clock P.M.

Given under our hands at said Greenland this 23rd day of February, 1968.

WILLIAM E. ECKHART
NORMAN B. NICHOLS
THOMAS C. BRIDGES
School Board of Greenland, N.H.

A true copy of Warrant—Attest:

School Warrant --- 1968

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Greenland qualified to vote in District affairs:

You are hereby notified to meet at the Greenland Central School in said District on Saturday the ninth day of March, 1968 at eight o'clock P.M. to act on the following articles:

ARTICLE 1. To determine and fix the salaries of the School Board and Truant Officer and to fix the compensation of any other officers or agents of the School District.

ARTICLE 2. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen, and pass any vote relating thereto.

ARTICLE 3. Shall the School District accept the provisions of RSA 195-A, as amended, providing for the establishment of an AREA school or schools located in Portsmouth, New Hampshire to serve the following grades 9 through 12 from the school districts of Greenland, New Castle, Newington, Portsmouth, and Rye in accordance with the provisions of the plan on file with the District Clerk?

ARTICLE 4. To see if the School District will vote to authorize the employment of an assistant superintendent of schools for Supervisory Union #16, as provided in RSA 186:11, XXII and XXIII, starting with the school year 1968-1969 and to raise and appropriate the sum of One Thousand One Hundred Forty Five dollars (\$1,145.00) as Greenland's share of the salary, travel, retirement and F.I.C.A.

ARTICLE 5. To see if the school district will vote to request the School Board to increase the school day the necessary number of minutes to include a physical education program; this increase is necessary to eliminate taking children from already scheduled classes.

(By Petition)

ARTICLE 6. To see if the School District will vote to raise and appropriate a sum not to exceed \$2,000.00 for the purpose of initiating a physical education program in the school.

(By Petition)

ARTICLE 7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for payment of salaries, for obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Given under our hands at said Greenland this 23rd day of February, 1968.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Greenland, New Hampshire:

It is with mixed emotions that I submit my twentieth and last annual report as Superintendent of Schools.

I take this opportunity to express my sincere thanks to the members of the school board, past and present, teachers, supervisors, members of the Parent-Teacher Association and to the citizens for the support given to me during this period of years. I shall always follow with interest the progress of the schools with which I have been so closely associated. There is evidence to show that by working together we have been successful in obtaining better school facilities and in continually improving the curriculum and program of studies for the girl sand boys of this community.

The school year 1967-1968 began with the following teaching staff:

Mr. Eugene Haight, Principal, Mathematics

Mrs. Gwendolene Sanderson, Social Studies

Mrs. Erma Milner, English

Mrs. Catherine Verville, Science

Mr. Robert Cushing, Mathematics

Mrs. Carol Ott, Mathematics, English

Mrs. Evelyn Arey, Grade 1

Mrs. Elizabeth Collins, Grade 1

Mrs. Nancy Parker, Grade 2

Mrs. Mary Varrell, Grade 2

Mrs. Judith Hudson, Grade 3

Mrs. Elinor Milbury, Grades 3-4

Mrs. Evelyn Dimock, Grade 4

Mrs. Stella Scammon, Reading, Title I

Mrs. Virginia Holder, Nurse

Mrs. Sally Wool, Music

Mr. Harold Matava, Handwriting

Mrs. Elizabeth Collins replaced Mrs. Meredith Stevens as teacher of grade 1. Mrs. Carol Ott and Mrs. Phyllis Swanson were employed as additional teachers so that Grades 5-8 could be fully departmentalized and more ability grouping could be done in these grades.

Mrs. Swanson has been unable to fulfill her contract this year because of a physical disability so that it has been necessary to fill her position with other teachers.

Under the Title I project remedial instruction in reading and speech therapy is provided for those youngsters in need of special attention.

The enrollment as of December 22 was as follows:

Grade 1	52	Grade 5	43
Grade 2	42	Grade 6	38
Grade 3	43	Grade 7	32
Grade 4	33	Grade 8	28

This is a total of 311 as compared to 304 on a corresponding date a year ago.

The amounts of State Aid received by the Greenland School District for the last two years are listed:

	State Foundation		Building
	Aid	Sweepstakes	Aid
1966-1967	\$18,467.35	\$5,474.86	\$4,800.00
1967-1968	21,454.16	\$3,099.87	\$4,500.00

For the last several months committees from Greenland, Rye, Newington, Newcastle and Portsmouth have been studying the AREA School Plan for grades 9-12. It would appear that there are advantages to both the sending districts and to the receiving district.

The sending districts are guaranteed a high school where they can send their students on a tuition basis for an indefinite period of time. Also, if the State In-

centive Aid becomes a reality, the tuition rates will be reduced accordingly.

The receiving district has the advantage of receiving increased State Building Aid on any new construction which will house grades 9-12 and on present bonded indebtedness at the high school level.

Both parties are also required to make commitments. The sending district agrees to send its high school pupils to Portsmouth and the receiving district agrees to provide the necessary facilities to house these students. Having been closely involved with the Exeter AREA School Plan and having seen it in operation for the last two years, I believe this to be a very good arrangement for all parties concerned.

Mr. Frederick King, Teacher Consultant for Supervisory Union No. 16, describes some of the work which he is doing as elementary school supervisor of curriculum as follows:

As a teacher consultant I must assume a leadership role in the process of curriculum development, curriculum balance, articulation between grades, divisional levels and communities, and integration among the various subject matter areas.

If I were to list a group of action words to describe the consultant's tasks, I would say they might include encourage, stimulate, support, facilitate, guide, influence, suggest, question, challenge, demonstrate, coordinate and lead as I work with teachers.

Last fall at the opening school meeting as teachers gathered for the beginning of a new year I called for new aspects in learning that would bring about a vitality so much needed to successful classroom teaching.

We know, with considerable certainty, that the world

of today's children will see new and changing patterns of social organization. One of my main tasks is to join with teachers in examining possible changes and to take a leadership role in channeling these changes into educationally sound procedures.

The school holds a key position in the survival of our nation. A number of projects and pressures are appearing at various levels. The role of the teacher consultant as a curriculum leader takes on new importance as one sees the "flood" of ideas from the "outside". An examination of the new is essential but at the same time we must strive for effective utilization of the already proven materials and media.

This fall a new social studies guide was placed in the hands of our teachers. It is now being used as a guide for social studies instruction. It is not final. We will continue to discuss and examine it through teacher meetings and discussion. The classroom will be the true test of the guide's ability to bring about a "new life" to social studies. This is but one example of curriculum study.

The teacher consultant is concerned with the learner and the process of learning. We want children to be actively involved in their education. We need to be more concerned about the development of human beings capable of creative thoughts and action.

We can build wonderful schools and provide a multitude of materials, but the teacher's job of helping the child see what is the full meaning of attaining skills and knowledge will be the key to the future of our nation. The teacher consultant joins with the classroom teacher in a "partnership" for better education. If I, as a consultant, can communicate with teachers the observations, understandings, perceptions, enthusiasms, and

beliefs which I feel and we share together these concerns for better schools, then I have no doubt but a more effective education will be realized. I will continue to serve this community with this philosophy.

I trust I have in this report pointed out to you, as citizens, a kind of philosophy or spirit that prevails as I work with the staff. It is not an item by item account of what was done this past year, but rather a communication to you of an attitude and commitment I have in continuing to develop a better school program.

I call your attention to the tables and reports which follow.

January 18, 1968

Respectfully submitted,

Raymond A. Hoyt

Superintendent of Schools

ANNUAL REPORT OF THE PRINCIPAL

Greenland, N.H.

January 12, 1968

To the Superintendent of Schools:

Following is the annual report of the Principal of the Greenland Central School.

As was expected, there is only one vacant room in the addition and it is possible that in September that room will be in use.

The increased enrollment in the upper grades has enabled us to departmentalize more completely in those grades. Grades 5 and 6 have two sections in all subjects except reading. Grade 7 has two sections in math and grade 8 has two sections in math and English. The added faculty members have afforded us the opportunity to expand our reading program in the upper four grades. There are now fourteen reading sections in those four grades. Sections have been added at the lower and upper levels.

The library facilities are expanding and many new titles are available to the pupils. Students now may purchase good paperback books at the library.

The Social Studies Revision Committee has completed its work and the recommendations of the committee have been incorporated in part into our social studies curriculum. We expect to complete the reorganization by September, 1968.

The Greenland P.T.A. has provided basketballs, rubber playground balls, softballs and bats, and a volley ball set for the use of the pupils at Central School. Mrs. Ruth Carter is supervising girls' basketball and several

men from the P.T.A. are working with some of the boys on Monday evenings.

The quality of the hot lunch program is, as usual, excellent.

The School Nurse, Mrs. Holder, has continued to work long and hard on special cases and the school health program itself is in good "health".

I extend my thanks to the School Board, Supervisory Personnel, Faculty, Parents, and all others connected in any way with the operation of Greenland Central School, for their cooperation and support during the past year.

With the realization that this is to be your last year as Superintendent, Mr. Hoyt, I would particularly like to thank you for all the help and guidance you have given me through the years. I wish you happiness and good health in the years of your retirement.

Respectfully submitted,

Eugene F. Haight,

Principal

SCHOOL HEALTH REPORT

To The Superintendent of Schools:

During the past year we have enjoyed a well-coordinated school program of special services including remedial reading, speech, psychological consultations through the Portsmouth Mental Health Clinic with follow up in the school, social service and extended health services. The integration of these services has been brought about by the interest and cooperation of the remedial therapists and by communication with the Principal and teachers of the school. More favorable results in helping a child with his problem may be expected when all personnel involved are aware of the problem and of what is being done in the various departments toward improving his position.

School health services cover a wide field and are designed to include all that affects the well being of school children. This year physical examinations were offered to all children in Grades 4 and 8, new admissions who had not had an examination in the previous year, plus those children with conditions warranting the opinion of a physician who would otherwise be unlikely to receive professional attention.

Vision screening was carried out by volunteer mothers trained by the school nurse — a service of inestimable value, conscientiously performed. Screening for hearing loss is done by the school nurse on children in Grades 1-4- and 8, new students entering the school, and upon any child with symptoms of possible hearing loss referred to the nurse.

Tuberculin testing was done on children in Grades 1 and 7 and staff, in September, and we shall, in cooperation with the N.H. Tbc. Association, continue this

valuable diagnostic program each year. In lieu of a formal physical education program, records for physical fitness exercises in the classroom are available to primary and intermediate grades.

Special emphasis upon dental health has been evidenced by demonstrations, clinics and dental health education. In the summer of 1968 we hope to benefit from a new State program offering free dental examination, cleaning, and topical application of fluoride to all pre-school children, ages 3 to 6 years. This program is similar to the one presently sponsored by the Greenland P.T.A., available to all school children for a nominal fee. Parents are encouraged to take advantage of this opportunity for their pre-school children.

Pre-school clinic held on Registration Day is the best way we know of determining whether a child is physically and emotionally ready for Grade I. A registered state dental hygienist is to be present at this time to examine the child's teeth and consult with the parents.

We shall continue to have our Lazy-eye clinic for the early detection of amblyopia in children of ages 3½ to 6 years.

Health Education — through education only can we expect returns from our efforts to establish good understanding and practices of health, hygiene, and safety. Special speakers, filmstrips, films, and other aids to enrich the health education curriculum are available — ideally for introduction in conjunction with special class units at a time when our material will be most meaningful to the students.

Parents are welcome to visit the health office for conference when there is a health related interest which you may wish to talk over.

This report would be incomplete without special mention of the many hours contributed by Mrs. Ellen Mori who has demonstrated her capabilities in several areas, and who has along with other community volunteers, helped to make our health services more effective and far-reaching. I am sincerely grateful for the support of the School Board, Superintendent of Schools, Principal, Mr. Haight, and all individuals and organizations upon whom we have so successfully called for help.

Respectfully submitted,
Virginia D. Holder, R.N.

Greenland, New Hampshire

January 11, 1968

REPORT OF THE MUSIC SUPERVISOR

To the Superintendent of Schools:

The music program in the first and second grades is aimed toward helping the students to find their own singing voices, developing an awareness of melodic ups and downs, and learning to respond to rhythms. They improve bodily coordination and listening habits while having fun through participation in music.

There is more specific observation of the printed music page during the third, fourth, and fifth grades; students correlate their previous aural experience with continuing visual experience. More independence in singing is gained as they learn to recognize similarities and differences in melodic and rhythmic patterns, and there is improvement of lower pitched voices.

Meaningful evaluation in the basic areas of music education — playing and reading skills, listening, singing, rhythmic activities — occurs through the sixth, seventh, and eighth grades. Jr. high school students require an increasing variety of experience in music as in all other areas. Chorus has been offered as an extra-curricular activity to qualifying students in these grades.

For the first time during this 1967-68 school year, an instrumental program has been offered. Fourth through eighth grade children have received class instruction at no cost during the school day and several dozen students have been involved.

Respectfully submitted,
(Mrs.) Sally Wool,
Music Supervisor

PROPERTY VALUATION

Resident and Non-Resident
of the Town of
Greenland, New Hampshire

As Prepared by the Selectmen
1967

Town of Greenland, New Hampshire

OFFICE OF THE SELECTMEN

This booklet lists the assessed valuation of property, land and buildings, both resident and non-resident in compliance with Article 32 adopted at the 1967 Town Meeting.

The lists includes assessments for stock in trade, machinery, and animals with the following designations:

- @ assessment includes value of animals
- # assessment includes value of machinery
- + assessment includes the value of more than one piece of real estate
- * An asterisk indicates that a \$1,000 veterans' exemption should be subtracted from the assessed value given before computing the tax to be paid
- *8 These properties have an \$8,000 veteran exemption.

The amount of tax paid may be determined by multiplying the assessed value given by \$.026
